ABSTRACT

Written for juveniles, this book presents information and activities aimed at increasing student understanding of the life experiences of Europeans during the Middle Ages. Student activities are organized by the following categories: (1) "Medieval--What's That?" presents background information; (2) "Lets Dress Up!" examines clothing styles, armor, and accessories; and (3) "Time to Eat!" provides recipes students can reproduce for classroom sharing. Other categories include: (4) "Heraldry"; (5) "Fun and Games"; (6) "Write it Down!" presents calligraphy, print making, paper making, book making, and map making activities; (7) "Arts and Crafts"; (8) "Everyday Life" includes handicrafts; and (9) "A House is a Home" suggests model-making activities. A bibliography suggests further reading. (MM)
